## Four Meat Pizza Recipe

Submitted by Laura

### Description:

submitted by Laura  
from Iowa

Laura used this recipe along with the  
**"Easy Pizza Crust Recipe"**

Both recipes can be used in our  
Deep Dish Pizza Pan #104.

This Four Meat Pizza Recipe is ingredients for two of our  
deep dish pizza pans. Only using one?  
Just halve the recipe.

### Ingredients Needed:

1/3 lbs. of ground beef  
6 slices of bacon  
8 slices of Canadian bacon  
8 slices of pepperoni  
3.5 oz. of fire roasted pizza sauce  
1 cup of mozzarella cheese

### Optional ingredients:

Shake a desired amount of dried parsley flakes  
Place mushrooms on top.

## DIRECTIONS

1. Mix up ingredients for **"Easy Pizza Crust Recipe"**
2. Brown the ground beef
3. Use our bacon cooker to cook 6 slices of bacon.  
Once bacon is cooked, chop bacon into small chunks,  
then place chopped bacon in prep bowl.
4. Grease the Deep Dish Pizza Pan #104 with vegetable shortening  
*Optional: Sprinkle a bit of corn meal over the greased pan.*
5. Spread dough into the deep dish pizza pan.
6. Add pizza sauce, ground beef, chopped bacon, Canadian bacon, pepperoni, and the cheese is last.
7. But wait, add more pepperoni on top of the cheese.  
*Optional: Shake on some dried parsley flakes for added flavor.*
8. Place deep dish pizza pans in oven and bake at 425F  
for 15-25 minutes depending on how many toppings and your oven.
9. Remove deep dish pizza pan with pot holders.
10. EAT
